PICKENS, S. C.:
SATURDAY, FEBRUARY 16, 1907.

An editor at Kalamazoo, Mich., opens his office each morning with prayer, and still there are people who claim the world is growing worse.

A cold wave struck New York on the 12th, and ran the mercury down to zero. Several deaths have resulted and many persons on the streets were badly frozen.

The postmaster-general has kindly granted permission for mail carriers to deliver in automobiles. Now if he will take one more step and provide the automobiles and a chauffeur, the carriers will be supremely happy.

We notice in our exchanges a number of towns are having heavy penalties to pay on account of damages sustained by dilapidated sidewalks. A broken board in the walk cost one town \$10,000. A word to the wise is sufficient.

If you want to ruin your boy just take his side on every question and dispute he has with his teacher or your neighbors' children. Just let him know you are with him, right or wrong, in all his disputes. This will give him a good start in the downward path.

The people of Ryan, I. T., held a mass meeting to express disapproval of any citizen of Ryan running for office in the new county, and extending a hearty welcome to outside candidates. Here is an opportunity for some of the disappointed ones in Pickens county.

The average housewife will soon begin to make life a burden to the other inmates of the household. She will tie a rag around her head and wade into the dirt in a way that will make your head swim. She will tear up the carpets, empty the cupboards, look sour when you show up for dinner and slam and bang things around to a queen's taste and if you don't like it take your meals up town. Spring time is a very unhappy event when house-cleaning is on.

Where is the man so happy as the one who applies himself to manual labor? Where is the home so happy as the one where each member of the household feels, at the close of the day, that they have performed some at least of the many duties devolving upon them? There may be a clash some day between capital and labor. Should this period ever come, the hope is that labor, with the conquering trend of a hero, will trample beneath its heel the power that has, to a considerable extent, made labor laborious.

"Keep it out of the paper" is the cry which the local newspaper publisher daily hears. To oblige often costs considerable, though the party who makes the request thinks the granting scarcely worth saying "thank you" for. A newspaper is a peculiar thing in the public's eye. The news gatherer is stormed at because he gets hold of one item and is abused because he does not get another. Young men, and often young women, as well as other persons, perform acts which become legitimate items for publication, and then rush to the newspaper office and beg the editor not to notice their escapades. The next day they condemn the same paper for not having published another party doing the same thing they were guilty of, forgetting apparently their late visit to the printing office.

Knights of Pythias.

Easley, Dec. 31, 1906.

Dear Brethren:--I send you my "New Year's" greetings, and wish for your lodge the most prosperous year of its history, and for each member peace, happiness and success during the year.

Our annual convention will be held at Liberty, Pickens county, Feb. 19, at 3.30 p. m. Do not fail to send delegates.

Past G. C., Hon. B. A. Morgan, of Greenville, and our present G. C., Hon. M. Rutledge Rivers, of Charleston, have both promised to be present and deliver addresses. It is an opportunity you cannot afford to miss.

Let every Knight in the district attend. Fraternally,

D. W. HOTT,

Chas. Bridges and Wm. Hodge, who are in the county jail awaiting the action of the grand jury on the charge of bigamy, were arrested at Toccoa, Ga., by Constable R. T. Chapman and returned to Easley. Bridges and Hodge were married a short time since to two young ladies at the Glenwood cotton mills, and it was soon discovered that both men had families residing at Gaffney.

Mr. J. A. Sheppard, of Easley, was in town Monday selling bills of lard, meat, etc., to the Pickens merchants. He is doing a nice brokerage business and has built up a fine trade in this territory. Mr. Sheppard has bought the Easley bottling works and has associated his son with him in this enterprise. He has improved the quality of the soft drinks usually put by this plant, and is building up a good trade on this class of goods.

At 3 o'clock Wednesday afternoon at the home of the bride's parents, Mr. and Mrs. W. B. F. Corbin, in Walhalla, Miss Lillie Blake Corbin and J. Thomas McKinney, of Pickens, were happily married. The bride is oldest daughter of Mr. and Mrs. Corbin, and is a young woman of many excellent traits of character. Mr. McKinney is well known in upper Carolina, having for a number of years been connected with the federal revenue and state constabulary service. The young couple have the best wishes of hosts of friends. Mr. and Mrs. McKinney will make their home in Walhalla. [Keowee Courier.]

The legislature of Tennessee has just passed a bill giving to the Peabody College for Teachers, at Nashville, the sum of \$250,000. Appropriations from other sources, notably one from the Peabody education fund of \$1,000,000, which had been made but depended upon the appropriation just passed by the State of Tennessee, make the total already given more than \$1,700,000 which will come to the college this year. Assurances of other donations had been given, to be made as soon as the college is permanently and adequately endowed, which is now practically accomplished. The college will have handsome buildings, new departments, additional professors, and promises to be one of the greatest teachers' colleges of the country.

Judge Ernest Gary, of Columbia; Solicitor J. E. Boggs, of Pickens, and Stenographer Long, of Newberry, have not been over-taxed with business this term of court, but in the steady grind at the mill of justice considerable business has been transacted. They are competent and pains-

Waite Goes With S. A. L. Lexington, Ky., Feb. 12.--It was learned on Tuesday that Henry M. Waite, superintendent of the Chattanooga division of the Cincinnati Southern railway, has tendered his resignation and will go with the Seaboard Air Line, as superintendent of the Atlanta and Birmingham division. He will assume his new duties on Feb. 15. His successor has not yet been appointed.

Freight Trains Collide. Columbia, S. C., Feb. 12.--A long distance telephone message from the town of Johnston, S. C., early Tuesday morning says that a head-on collision between two freight trains on the Southern railway has occurred at that station. Over-Work Weakens Your Kidneys.

Unhealthy Kidneys Make Impure Blood.

All the blood in your body passes through your kidneys once every three minutes.

The kidneys are your blood purifiers, they filter out the waste or impurities in the blood. If they are sick or out of order, they fail to do their work. Pains, aches and rheumatism come from excess of uric acid in the blood, due to neglected kidney trouble.

Kidney trouble causes quick or unsteady heart beats, and makes one feel as though they had heart trouble, because the heart is over-working in pumping thick, kidney-poisoned blood through veins and arteries. It used to be considered that only urinary troubles were to be traced to the kidneys, but now modern science proves that nearly all constitutional diseases have their beginning in kidney trouble.

If you are sick you can make no mistake by first doctoring your kidneys. The mild and extraordinary effect of Dr. Kilmer's Swamp-Root, the great kidney remedy is soon realized. It stands the highest for its wonderful cures of the most distressing cases and is sold on its merits by all druggists in fifty-cent and one-dollar sizes. You may have a sample bottle by mail. None of Swamp-Root, free, also pamphlet telling you how to find out if you have kidney or bladder trouble. Mention this paper when writing Dr. Kilmer & Co., Binghamton, N. Y.

Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.
